

DO YOU HAVE A FLATBED PARTNER ON THE WEST COAST?

Doss Logistics offers the only true Flatbed LTL Network on the West Coast and the capacity to handle any flatbed freight in the region.

An asset-based carrier with 10 locations throughout Arizona, California, Nevada, Oregon and Washington. A unique industrial freight system to move more than 70,000 shipments annually.

Transit times are very similar to all the well-known common carriers and we keep a 95% on-time record. Lowest claim ratio <1%, the latest technology, and all the knowledge required to simplify the supply chain issues of the new economy.
